The surface makes the difference.

One format. Five finish expressions.

Carving / DG Carving

Surface detailing and sculpted character.

DG Matt / Matt

Soft, understated surface expressions.

Glossy

Reflective surfaces with depth of colour and pattern.

Complete faces & colour swatches

Large images show complete tile faces. Labelled colour swatches show additional colour options; they are not size comparisons. Faces or randoms refer to design variations, not pieces per box.

Vailux Collection

Carving

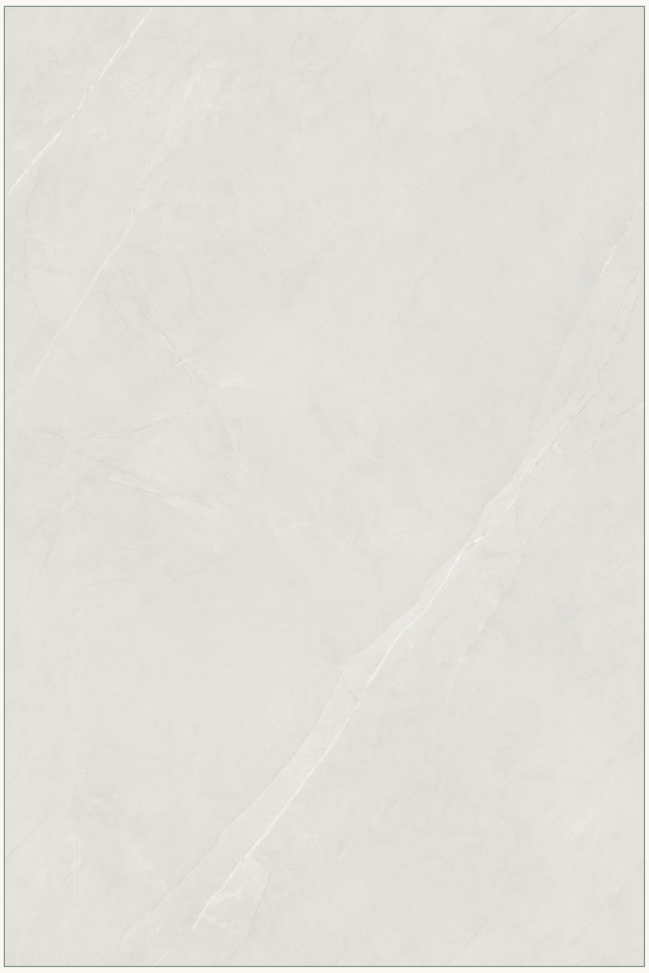

Scale meets sculptural detail.

Vailux combines the expansive 1200 x 1800 mm format with a Carving finish. Stone-inspired patterns and fine surface detailing bring a sense of depth and visual continuity to walls and floors.

A closer look at the surface character.

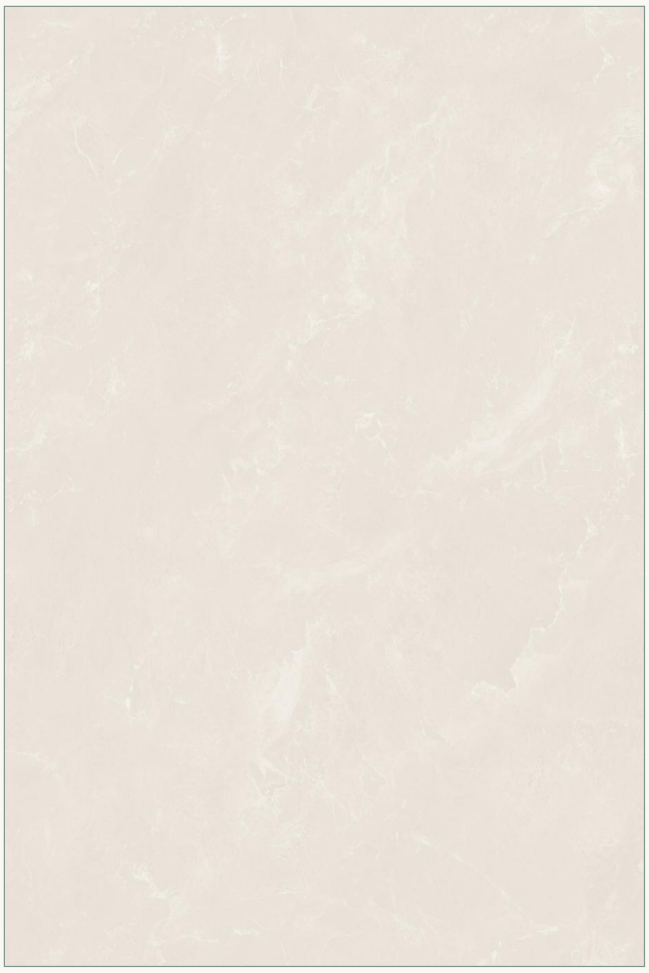

The beauty of detail.

Inspired by the Japanese art of Kintsugi, Carvex explores the beauty of imperfection through DG Carving. Sculpted patterns and the interplay of light create a distinctive architectural surface.
